## HOW IT WORKS

Consignment is accepted by appointment only.

25 items total per appointment.

Items are reviewed while you wait. Any items not accepted will be returned at the time of your appointment.

Items are priced by Something Olde Something New; an inventory list will be emailed.

Consignors earn 40% of sales from clothing, shoes, handbags, and jewelry, and 50% of sales from housewares, collectibles, linens, and furniture.

Consignment is full price for 30 days. After 30 days, items are marked down 25%.

After 60 days items will go on clearance at 50% off. Please call to arrange for the pickup of unsold items. Any items left after clearance will be donated.

Consignors can check their account on-line, by phone, or in-store at any time. Credit may also be applied to purchases.

Accounts left inactive for more than 5 years will expire and monies will be forfeited.

We take exceptional care of your items; however, merchandise is consigned at your own risk.
